Flannery O'Connor Week at LCHS.

Flannery O'Connor once said in her typically humorous, yet bluntly truthful style: “I don’t deserve any credit for turning the other cheek as my tongue is always in it.” O’Connor was an American novelist and short-story writer, whose stories are strange and full of grotesque oddballs, mean-spirited scoffers, and truth. Best known for her story “A Good Man is Hard to Find”, O’Connor’s stories staggered America, and we’re still reeling from them. Readers of O’Connor are either troubled or delighted, but all are changed.
Newsworthy Notices

Remembering September 11th. Today marks the 16th anniversary of four coordinated terrorist attacks that ended the lives of 2,996 people and set America on a course of warfare that continues today. LCHS will mark the day with solemn remembrance of the victims and historic appreciation for the global significance of this tragic event. LCHS Principal Bob Schaffer was a Member of the U.S. Congress at the time of the attack and chronicled his experiences including his visit to "Ground Zero" one month after the attack. Schaffer's memoir has been used in Liberty classrooms in past years drawing the lessons of 9/11 close to home. CLICK HERE to read the article. Please CLICK HERE to read a column about 9/11 that Mr. Schaffer wrote for the Coloradoan.

Liberty Family In Crisis. Liberty’s Academic Support Team Director Mrs. Janice Garland received grave news over the weekend that her daughter Mariya (LCHS ’15) has been hospitalized and diagnosed with stage-4 renal cancer with a tumor affecting her kidney, vena cava, and aorta; and metastasized to her lungs. Mariya is away at college in Memphis, TN, and is being air-transported today to Denver to undergo very major and extensive surgery immediately. A website has been set up to relay information and facilitate communication with friends and admirers – CLICK HERE | You’ll need to set up a password to join this site, or use an existing one if you’ve joined previously. Personnel adjustments are being executed now to cover Mrs. Garland’s professional duties at the school as she has taken leave for an indefinite period of time in order to devote 100% to Mariya. Mrs. Garland asks, “Please just pray for all of us, that we may have peace, pray for healing, pray for the doctors, pray that we can get home, pray for Mariya to have less pain...” Mariya is one of LCHS’s most celebrated and revered graduates. In 2015, she was recipient of the school’s Character & Virtue Award which is perhaps the school’s most esteemed senior recognition. She was also honored by her peers in the LCHS Class of 2015 who chose her to deliver the “Class Address” at the 2015 LCHS Commencement Ceremony.

New Piano. Former Liberty parents, Vicky and Mitch Green, donated to our school an antique Chickering baby grand piano. It is a high-quality and high-value instrument, which means there are rules for its use. The piano is located in the Agora and may be played before or after school. Only students on the “Liszt List” may play the piano. Miss Ogg or Mr. Lunn can add students to the “Liszt List,” and any student who has received piano-lessons is encouraged to sign-up. Parents are also welcome to use the piano before and after school. We are grateful to the Greens for their very generous donation. The entire Liberty community is enjoying this fine instrument and will for many years to come.

Open Campus. This Wednesday, September 13th being a block day, LCHS seniors enjoy
Open-Campus privileges. Seniors may depart the campus then after 10:36AM and return before 11:25AM, and they must sign out and sign back in on sheets posted near the school’s front doors. This is a class privilege, not an individual privilege. Classmates returning late to campus is not tolerated.

Justice Lyceum. This Wednesday’s all-school Lyceum is the first character-education assembly of the school year. The topic is Justice and is being produced by the students of Domus Justitiae. The event features keynote speaker Nurse Denise Lechtenberger a public-health oncology nurse whose healthcare missions have taken her to such impoverished locales as India, Guatemala, and other countries. She’ll be relating her work and experiences to the school’s Capstone virtue of Justice starting at 2:00PM in the school’s Colosseum. As with all Lyceum presentations, parents are welcome to attend.

Oncology nurse Denise Lechtenberger is the keynote speaker at Wednesday’s Justice Lyceum.

School Messenger Notification System. Tomorrow Tuesday, Sep 12, we are sending a test of the emergency-contact system used to communicate school closings, late starts, or early dismissals, etc. Watch your Monday Notes for instructions on making changes to or opting a phone number out of our SchoolMessenger contact system.

Teen Talks Series. Three lectures are being offered for parents and teens designed to facilitate crucial conversations with your child. All are being held at Rocky Mountain High School 1300 W. Swallow Rd., in Fort Colling from 6:00 – 8:00PM. Here are the dates and topics: Wed 20 Sep 2017 – Marijuana And The Adolescent Brain | Wed 18 Oct 2017 – Technology, Changing Times (high-risk online sexual behaviors) | Wed 8 Nov 2017 – Teen Stress. All lectures are conducted by state and local experts, and are free. For more information, contact Brooke Wagner.

Public-Info Night. Do you know anybody interested in sending their kids to Liberty (either campus); or just learning more about the school’s history and philosophy? Please urge them to attend our Public-Information Night next Monday September 18, 6:30PM-8:00PM at Liberty Common High School. These are informative presentations for all parents wanting to know more about why we teach what we teach, and why we do what we do. For hopeful families waiting on the Liberty lottery list for any grades K - 11, attending one of these presentations puts you into the “upper tier” of those waiting for the next open-enrollment spot.

Berry Blendz Smoothies. During lunch on Wednesday Sep 18th, Berry Blendz smoothies will be available for purchase in the front parking lot. Bring $5.00 if interested.

Connie Behr Memorial Fund. Liberty’s longtime librarian Connie Behr passed away on Wednesday August 9, 2017. Connie worked at Liberty for 18 years and was instrumental in developing the library and helping inspire thousands of students to read. As a way of honoring Connie, we have set up a Cheddar Up account for Liberty families to make a donation to our library. Money donated in memory of Connie Behr, will be used to purchase rich literature for our library. We are excited to honor Mrs. Behr in this way. Each book purchased will contain a book plate sticker inside the front cover to commemorate Mrs. Behr’s legacy in our school.

School Illnesses. There is a lot of illness passed around already this year. When considering whether to keep your child home from school, please refer to this policy our school utilizes (found on the school website), based on recommendations from The

Continuous Improvement

Goal setting is an important component of any organization. It is hard to have any direction if there isn’t an end result to achieve in place. Each year Liberty Common School sets goals. The students write goals, the teachers write goals, the Board of Directors write goals, and the school writes goals. This year, I asked the staff to write down things they thought went well last year, things they thought could be better, and then from that information glean 3 top goals for the coming year. The staff did a wonderful job with this exercise. After this activity, they all voted on the top goals for the year. While these goals are similar to last
Liberty Elementary 2017-2018 Goals

1. Teachers, AST Staff, and Problem Solving teams will work collaboratively to find solutions to help struggling students achieve positive academic and/or behavioral gains.

   a. Use data to drive instruction.
      i. Use NWEA to assess student needs
      ii. Better understand how to use and interpret CMAS data as a summative assessment.
      iii. Better understand how to use and interpret Aimsweb data as a formative assessment.

   b. Learn how to use and interpret student data using PowerSchool Analytics.
   c. All staff attended a two day Quantum training on August 22-23. Quantum training is professional development designed to enhance student engagement and classroom management.
   d. Administration, staff, and parents will work together as a team to find ideas to help these students.

2. Create a happy, healthy culture and environment for staff, families, and students.

   a. Staff will incorporate Quantum techniques in the classroom to better engage student learning.
   b. Staff and administration will focus on an increase in communication amongst ourselves and with the families we serve.
   c. Staff will participate in yearly check-ins to assess their needs.

3. Increase Core Knowledge content and skill cross-curricular connections. This will take place among the staff and with the families we serve.

   a. Teachers will meet as grade level teams or with other grade levels monthly for cross-curricular connections during non-staff meeting days.
   b. The entire elementary staff will attend the Colorado Core knowledge Network on February 9th.
   c. Take a close look at skills programs to make sure we are teaching the curriculum with fidelity.

These three goals frame up the initiatives for this coming year. By setting these goals we can reflect on our progress and areas for improvement for the years to come. It is because of this type of continuous improvement and close communication and input from our staff that we outperform other schools in the area. We are looking forward to another great year.

Liberty Legacies Volume II. Hello Liberty students. Ambassador’s Club is starting Liberty Legacies Volume II 2017 for this year’s Grandparent’s Day. The purpose of Liberty Legacies Volume II is to safeguard the legacies of senior citizens whether that be your grandparents, parents, relatives, or senior friends. Not only is this a valuable resume-building opportunity, given anyone who participates gets to become a published author, but it is a beautiful way to learn from the wisdom our loved ones have to offer, to honor those who have walked before you, and to show love by providing a meaningful gift to whomever you choose to honor in your story. The stories will be due by Thursday, October 26th. You need to contact Laura Rencher by this Friday (September 15th), if you want to have your story in the book. Because the books will be professionally published, there is a fee of $10, but authors will receive a discounted price of $10 this Grandparent’s Day when the books will be sold at the school. All profits will go to fundraising for next year’s Liberty Legacies and future service projects, so we can continue this tradition of thanking our senior citizens.

PSAT/NMSQT. LCHS provides all juniors the opportunity to take the PSAT/NMSQT exam free of charge during the school day, Wednesday, October 11th, 7:45-11:45AM. Juniors do not need to register for the exam. This is a practice SAT and the National Merit Scholarship Qualifying Exam. 9th and 10th-grade students interested in taking the exam for experience may register in the College Center. The fee is $20.00 which will be assessed through the
family’s Efunds, no other payment forms will be accepted. The registration deadline for 9th- and 10th-grade students is Wednesday, September 20th.

**AST Tip of the Week**

**Organization Is Key.** CONGRATS! You made it through two weeks of school. The paperwork is starting to pile up, and your first test is just around the corner. At this point, everything should have a place, and everything should be in its place. At least once a week, you should go through your locker, backpack, and binders to make sure that all of your notes, handouts, and other paperwork are in your notebooks under their correct tab.

Classical Manners for the Modern Youth

From the 1934 high-school textbook "Good Manners" used in "Household Science" class of that day:

"Rule No. 22. The Fingers. Use your fingers to eat bread, rolls, cookies, gherkins, olives, radishes, nuts, celery, candy, and crystallized fruit. Often cake is eaten with the fingers. Corn on the cob may be served with handles. If not, break off a three-inch piece, and hold it in one
had while you eat it.

Cut off all the meat you can from chicken-bones and chop-bones and leave the rest. In the privacy of your own family, your mother may allow you to eat chicken from the bone.

You may use a bit of bread held in the left hand to push food onto your fork. Keep your fingers out of your mouth. If you avoid touching greasy and juicy foods, your fingers will be unsoiled.

This week’s LCHS Alumni Update is devoted to Mariya Garland who is in the fight of her life and needs all the support and prayers her alma mater can muster.

Mariya Garland (front row, third from left) surrounded by some of her friends from the LCHS Class of 2015.

The following message about Mariya's medical situation was sent last night by Mrs. Garland to her colleagues at LCHS:

Dear Liberty Family,

So many of you have taught and poured into my sweet daughter that I want to share with you honestly the journey that we are on. Mariya had pain in her back and was taken into the emergency room on Thursday. She has been diagnosed with Stage 4 Renal Cancer. Her tumor includes her kidney, vena cava and aorta. It has also metastasized to her lungs.

We are in Memphis hoping to transport her to UC Denver tomorrow, so that they may schedule surgery. The surgery is complex requiring three surgeons: thoracic cardio surgeon, vascular surgeon and urology surgeon. The hope is that the team can be formed and the surgery can be done in the next week. It is open heart surgery and they will remove the kidney.

Mariya is in a lot of pain both because of the cancer and the blood clots in her lungs...hence an air ambulance will transport her in order to keep her on the IVs that have her stable. We are trying to get her out of Memphis before the weather from the hurricane moves in, otherwise we would most likely need to stay here. That would mean at least two months away from home.

The recovery from the surgery is extensive. In the ICU for 2 weeks and the hospital at least another 6 weeks. After this recovery, she will be in the next phase of Immunotherapy and Chemotherapy...so we are on the first mile of a journey that will continue to grow more difficult.
Today Mariya’s hospital room was filled with her faith community – 30 college students worshiped, individual students prayed and sang...and at the end Mariya recited Phillipians 1:21 from memory:

‘I eagerly expect and hope that I will in no way be ashamed, but will have complete boldness, so that now as always Christ will be exalted in my body, whether by life or by death. For to me, to live is Christ, and to die is gain.’

She is very much at peace and as always teaching me what it looks like to truly surrender. It was the most beautiful worship I have ever witnessed...

So dear family, I will be leaving Liberty indefinitely, and I ask that you lovingly care for students who receive services from AST. These are my other children...and it is hard for me to leave them and their families.

Please just pray for all of us., that we may have peace, pray for healing, pray for the doctors, pray that we can get home, pray for Mariya to have less pain...

A Caring Bridge is set up and the site’s title is Mariya Garland. The address is caringbridge.org/visit/mariyagarland2. This will be the best way for me to communicate.

All my love, 
Janice Garland

**News Worth Repeating**

**Keys To Success For 7th-Grade Students.** In an attempt to help all new 7th-grade students prepare for success in junior high, the 7th-grade teachers will be holding required 9th-Hour sessions on a variety of topics (binder organization, note taking, communication, technology, and study habits/test prep). These sessions will take place on Tuesdays and Wednesdays for the first three full weeks of September (9/12 & 9/13, 9/19 & 9/20).

7th-grade athletic coaches have been notified that students may be a few minutes late to practice on those days, but students who have games on those days will be excused from attending 9th Hour.

7th-grade students will be participating in these sessions with their Orders and rotating from teacher-to-teacher according to the schedule below.

**Mandatory Meetings: Sophomores.** A class ring can be a wonderful symbol of a student’s commitment to graduation at Liberty
Common High School. All sophomores are required to attend the Class of 2019 Class Ring Presentation, presented by Jostens. Tomorrow Tuesday, Sept. 12th, 9th- hour, Great Hall. For interested students, orders will be due on Thur. Sept 21st during lunch.

**Seniors.** It is already time to order graduation caps and gowns. All seniors are required to attend the cap and gown fitting on Wednesday, Sept. 13th, 9th hour, Stoa.

**The 2017-18 Carpool List.** The current carpool list is now available in the front office. Please stop by to pick up a copy if interested.

**Lunch Information.** [CLICK HERE](#) to view lunch information. If you are having trouble logging in please try another browser.

**Clothes Closet Seeking Donations.** LCHS is looking for gently used clothing for high-school-aged students. If your student has borrowed clothing please wash and return. Please bring donations to the front office.

**Volunteering At LCHS.** If you are interested in volunteering at LCHS during the school year for any reason and have not previously signed up, [CLICK HERE](#) to sign up. If you registered last year, please [CLICK HERE](#) to login to the system.

**Suicide-Prevention Training For Parents.** Liberty parents are invited to participate in a one-hour and thirty-minute training that teaches participants the warning signs for suicide and the three-step QPR (Question, Persuade and Refer) method. Participants will learn how to listen and will be given skills to assist a person at risk of suicide. **Ms. Melanie Voegeli-Morris**, PSD Mental Health and Prevention Coordinator, will offer QPR for parents at Liberty Common High School on Monday, September 18, 2017, from 6:00PM – 7:30PM. There is no charge; however, registration is required ([CLICK HERE](#)). The program is open to the first 35 registrants per class. Feel free to direct any questions or Concerns to **Mr. Schaffer**, bschaffer@libertycommon.org.

**Come Join Key Club.** Key Club meets in the Acropolis on Tuesday’s at 9th hour for high-school students. Key Club helps the community through fun service projects, such as graffiti removal and also helps the school with projects like the annual car wash. We work hard at providing for our community, and would love to have you join to share your service project ideas. Bring a friend, grab some complimentary food, and learn more about our club. E-mail **Mrs. McAllister** for more information.
Observe Traffic Laws Around LCHS. If you are dropping off your student on Custer, please keep the following in mind.

1. Pull all the way forward in the drop-off lane,
2. Students should be ready to exit their vehicles when the car is stopped. (this is not time to sit and talk about what is for dinner or finish homework),
3. All students should exit the vehicle on the curb side,
4. If there is a parent that has to get out of the car to help a student with items in the vehicle, this is not that lane. The student parking lot would be a better location to drop-off,
5. No U-Turns,
6. No jaywalking. (Drivers, don’t promote jaywalking by picking up or dropping off passengers from the curbside opposite the LCHS property).
7. Yield to pedestrians in crosswalks.

These and other traffic laws are too-frequently ignored during pickup and drop-offs. For the safety of our students, please adhere to local traffic laws and to our pickup and drop-off guidance. Please CLICK HERE to view it.

If time is required for anything longer than to just drop-off a student, consider dropping students off in the student parking lot (northeast corner of the school). Particularly if there is a bike, musical instrument or large student project that is being unloaded. This location would also be good for beginning drivers with permits that need to change places with their parent after they get dropped off.

Upcoming Trips

**Austria, Germany, Switzerland Spring Break 2018.** Mr. Lunn will be leading a trip to Austria, Germany and Switzerland during Spring Break of 2018. This trip is open to high-school students in music class (or have taken one in the past). We will visit the cities of Vienna, Salzburg, Munich, Innsbruck and Lucerne. Highlights of the trip include visiting Mozart’s birthplace and soaking in the rich history and culture of this part of the German-speaking world. Please e-mail for more information.

**LCHS To DC 2018.** LCHS will conduct a Spring Break 2018 trip to Washington, DC
and will likely conduct these trips every three years. Starting next year, the trip is opening up to all LCHS students grades 7 – 12 (previously, this was a junior-high only trip). Parents may also attend at cost. **LCHS principal Bob Schaffer** leads these trips. As a former Member of the U.S. Congress, Mr. Schaffer fully utilizes his former-member privileges to get students into areas of the U.S. Capitol that are normally off limits to tourists, and he sets up visits with high-power political figures. Keep watching future editions of Monday Notes for trip details and registration information. In the meantime, this notice is only intended as a 2018 calendar item and mental marker for those who might want to participate. Spring Break 2018 is March 10th – 18th.

**France and Spain Summer 2018.** Mr. **Seiple** and Mrs. **Salazar** are planning an art-themed trip to France and Spain during the summer of 2018.

**Ireland & England, Summer 2018.** Mr. **Tullius** is organizing a high-school trip to the Emerald Isle and England in June 2018. The itinerary focuses on Dublin and London, with a few stops in between. Please **email** for more information.

**Artists of France and Spain.** A fieldtrip to France and Spain is planned for summer 2018 and the deadline is fast approaching. It starts in Paris and goes to Avignon, Barcelona, and Madrid. It is set at a responsible pace for seeing the most
important monuments and museums so you actually get a moment to soak it in. An informational meeting about this trip is scheduled for September 12, 6 - 7 pm in the art room. Email Mr. Seiple with any questions.
